

University Park Subdivision
October 26, 2006
Minutes

David Heyse, Trustee, Kay Watts, Trustee and Teresa Miller, bookkeeper. The meeting was rescheduled to avoid Halloween and held at the home of Teresa Miller.

Snow Removal

Kay Watts has received a competitive bid from Compton Cement to handle snow removal for the winter. Trustees will solicit one more bid then make a final decision,

Garage door

Kay is still working on the replacement of the garage door. Home Depot does not have steel frame doors or 30" doors. Home Depot recommended S&K. Kay will call for an estimate.

Cement

The decision was made to wait until spring to start the street work. Repairs to sidewalks will commence as will street repairs on Cornell where water is pooling.

Trees

Droege will be called to remove the stump at 7146 Cambridge.

Financial Review

Teresa will send out an analysis of increases for the assessments prior to the next meeting.

David Heyse adjourned the meeting at 8pm.
