

University Park Subdivision
January 29, 2007
Minutes

David Heyse, Trustee, Deborah King, Trustee, Kay Watts, Trustee and Teresa Miller, bookkeeper.

Concrete projects

The Trustees will put the street and sidewalk work out to bid with 2 new companies – Stika and Compton. David Heyse will work with C2 Services to fix Cornell.. Kay will get bids from 3 concrete companies for spring 2007 work on the streets and sidewalks – C2 Services, Stika and Compton.

Assessments

Invoices for 2007 assessments have been mailed. Due March 1.

St. Louis County plan to widen Midland

The Trustees discussed their response to a plan to widen Midland to 4 lanes during the Highway 40 construction. Debbie will draft a letter to the St. Louis County Highway and Traffic Department head Gary Earls. The University City City Manager has attended several planning meetings and has voiced her objections on our behalf.

Permits

The Trustees conducted a discussion on approving fence and addition permits debating what materials can be approved.

David Heyse adjourned the meeting at 8pm.
