

University Park Subdivision
January 29, 2008
Minutes

David Heyse, Trustee, Deborah King, Trustee, Kay Watts, Trustee, and Teresa Miller, bookkeeper. Guests: Lynn Ricci and Michael Glickert, City Council members.

Street concrete work

Kay Watts proposed to do concrete repairs and renovation for 1 block and sidewalks in 2008 after receiving bids for the work. Sidewalks were bid at \$6 per square foot.

The work will be scheduled for May. Kay will provide the contractor with a list of sidewalks to replace.

The Trustees approved the repair/replacement of sewers and gutters on Stanford from Purdue to Vanderbilt.

Kay will ask the contractor, Compton, to re-rate the streets in order of recommended repair.

Management Company

Kay Watts and Debbie King are scheduled to interview 2-3 management companies to take on the management of assessments and bill paying in replacement of the bookkeeper position

City Council members arrived for Q&A about snow removal, street sweeping, leaf pickup and other services the subdivision would like the city to provide.

David Heyse adjourned the meeting.
